

The Metropolitan Utilities District invites you to the 5th Annual Cross Connection Control Workshop, March 4, at the Bellevue Fire Training Center.

This year's seminar will provide valuable information for Licensed Backflow Testers, Plumbers, Water Operators, Facilities Engineers, Fire Suppression and Lawn Irrigation Technicians. You will receive hands-on training for testing of working and non-working devices.

Bring your test gauges and a small bag of hand tools. You'll have the opportunity to test and analyze small devices.

Lunch is included only with pre-paid registrations. Registration is \$10. Early registration helps provide an accurate lunch count. Register early to guarantee a spot!

Late registrations may call 504.7835 to determine availability.

Cash or Check only accepted for payment!

We look forward to seeing you March 4.
