4. Customer must have authorized personnel available during normal working hours who can accept or reject the fixed price offered upon notice from the District. (The Energy Acquisitions Department will solicit offers from gas marketers and other suppliers for packages of gas to meet the customers' requests. Energy Acquisitions will advise customers of the best offer available and of the window available for acceptance.)

RATE – MONTHLY BILLING

The contract "unit cost of gas" (UCOG) purchased by the District for this service will displace the variable "weighted-average cost of gas" (WACOG) included in the commodity charge of District rate schedules as adjusted by the monthly GCA (gas cost adjustment). All other charges in the applicable rate schedules will apply to this service. A monthly administrative charge will also apply.

The District reserves the right to pass on any additional tax or surcharge that may be imposed on the sale or transportation of gas under this rate schedule by any governmental or regulatory body during the course of the contract year.

Administrative charges will be applied per month per contract. Monthly charges for billing purposes by rate schedule:

ADDITIONAL CHARGES

Actual volumes purchased will be balanced to contract quantities. Additional charges may apply:

- If actual volumes used are less than contract volumes for the billing month and the contract UCOG is greater than the system WACOG for the month, an additional charge equal to the contract UCOG minus the system WACOG per decatherm will apply to the variance of actual volumes from contract volumes. If a variance is caused by District curtailment, no additional charges will apply.
- If actual volumes used are greater than contract volumes for the billing month, actual volumes in excess of contract volumes will be billed at the customer's applicable underlying rate schedule, i.e., rate schedule B, C, No. 3, or CS-1.

STATUTORY PAYMENT TO CITIES

Under Sections 14-2138 and 2139, R.R.S.1997, the District is required to pay to each city or village two (2) percent of retail sales of gas. Two (2) percent has not been included in the above rate. Therefore, the rate for all customers residing inside corporate limits is 2 percent greater than the rate indicated above. The UCOG contract price will also be adjusted to include two (2) percent for city or village when applicable.

OTHER TERMS AND CONDITIONS

All terms and conditions of the customers' applicable underlying rate schedules that are not modified by the above shall apply to gas service rendered under this rate schedule.
