

**Schedule W-3
LARGE VOLUME INDUSTRIAL WATER SERVICE
Effective August 2, 2011**

(Supersedes Schedule W-3 Effective January 2, 2011)

AVAILABILITY

This rate is available to industrial customers whose primary water requirement is for use in the process in which the customer is primarily engaged; whose normal water consumption is 5,000 hundred cubic feet or more per month; and who agree to remain on this rate for a period of not less than one year.

An industrial customer is generally defined as a customer who is engaged primarily in a process which creates or changes any raw or unfinished materials into another form or product, but may include other processes where District determines that load characteristics are similar. Irrigation is specifically excluded.

STATUTORY PAYMENT TO CITIES

The District is required to pay two (2) percent of retail sales of water within metropolitan class city corporate limits to those cities in accordance with Sec. 14-2138 (Reissue 1997) and two (2) percent of retail sales of water within other city and village corporate limits to those cities and villages under Sec. 14-2139 (Reissue 1997). Two (2) percent has not been included in the above rate. Therefore, the rate for all customers residing inside corporate limits is 2 percent greater than the rate indicated above.

PAYMENT

The monthly bill will be rendered at the above net rate. If not paid within 15 days of date of bill, unpaid water charges are subject to a late payment charge of four (4) percent. An additional late payment charge of .5 percent per month will be charged on the portion of any account in arrears two or more months.

TURN-ON CHARGE

A turn-on charge will be required upon application for water service.
