STATUTORY PAYMENT TO CITIES

The District is required to pay 2 percent of retail sales of water within metropolitan class city corporate limits to those cities in accordance with Sec. 14-2138 (Reissue 1997), and 2 percent of retail sales of water

within other city and village corporate limits to those cities and villages under Sec. 14-2139 (Reissue 1997). Two percent has not been included in the above rate. Therefore, the rate for all customers residing inside corporate limits is 2 percent greater than the rate indicated above.

PAYMENT

The monthly bill will be rendered at the above net rate. If not paid within 15 days of date of bill, unpaid water charges are subject to a late payment charge of 4 percent. An additional late payment charge of .5 percent per month will be charged on the portion of any account in arrears two or more months.

TURN-ON CHARGE

A turn-on charge will be required upon application for water service.
