RE: Changes in MUD Contract Specifications

Attention: Metropolitan Utilities District Water Main Contractors

The 'Standard Specifications for Water Main Construction' have been updated, effective 12-14-2011. A copy of the specification Index with the noted changes is attached for reference. A copy of the specifications can be obtained from the District's website at www.mudomaha.com under the headings of 'Site Index' and 'Suppliers'. These changes are applicable for all water main bids submitted after 12-14-2011.

Please contact me 402-504-7914 or Mary Maher at 402-504-7925 if you have any questions regarding the changes.

Regards,

John E. Velehradsky, P.E.
Sr. Plant Engineer, Plant Engineering
