

ADVANCE NOTIFICATION

Dear Metropolitan Utilities District Customer,

Metropolitan Utilities District (M.U.D.) continues to provide you with safe, reliable water services by maintaining its system as efficiently and cost-effectively as possible. As part of M.U.D.'s Infrastructure Replacement Program, M.U.D. and contractor, Heimes Corp. will be replacing the water mains in your neighborhood. For those homes that have a service comprised of a material that is not copper, we will replace the entire water service line, at no cost to the homeowner. If you live outside the project area, you may only be impacted by periodic traffic restrictions.

Date: May 12, 2021

Project Number: WP1735

Project Area: Florence Heights Blvd from Sargent St to Calhoun Rd;
Sargent St from Florence Heights Blvd to Calhoun Rd;
N 31st St from Sargent St to Rainwood Rd

see reverse side for project map

Heimes Corp. is dedicated to providing every customer with superior service delivered in a professional manner.

WHEN Work is scheduled to begin soon and continue over the next several months.

TEMPORARY WATER OUTAGE During this work, a brief planned interruption(s) of your water service may occur; you will be notified prior to any interruption.

TRAFFIC There may be possible lane restrictions during the project. We would appreciate your help by slowing down when driving in the area for the safety of our crews.

RESTORATION Streets, lawns, and landscaping will be affected. Restoration will occur when work is substantially complete. Grass seed matting and straw will be placed when weather allows. Please ensure you water this to facilitate growth.

We understand this may cause an inconvenience to your day-to-day routine and wanted to give as much notice as possible to allow you time to prepare and adjust, if necessary. Please feel free to reach out to me with any questions or concerns.

Sincerely,

Julie Thacker, Customer Engagement 402.504.7957 julie_thacker@mudnebr.com
