

New offer available for M.U.D. residential water customers

Exterior Water Service Line Coverage Plan

Introducing HomeServe USA

As a residential water customer of M.U.D., in the coming months you will receive mailed communication from HomeServe USA, an independent provider of home repair service solutions.

You will receive letters and enrollment information from HomeServe about an **optional** coverage plan for homeowners to help protect your exterior water service line at a preferred price.

If you have questions or concerns, please call M.U.D. Customer Service at 402-554-6666 or visit www.mudomaha.com/homeserve.

Get peace of mind for \$4.49 a month

HomeServe USA, an independent provider of home repair service solutions, is offering M.U.D. customers an optional coverage plan to help protect your exterior water service line at a preferred price.

Purchasing a plan is completely optional, and we encourage homeowners to research the program's benefits before enrolling. Please consider your situation, including the age of your home, the age of the water service line and your ability to pay for this coverage.

For more information:

Visit www.mudomaha.com/homeserve
or call 1-833-805-6754.

Coverage subject to eligibility requirements, exclusions and terms and conditions. See site or call for information.
