By signing below, I authorize HomeServe to use account information from the enclosed check to make electronic fund transfers to automatically initiate my first and future debits, plus any applicable taxes, to my bank account at the frequency and amount specified in the Payment Schedule in connection with my payments for Exterior Water Service Line Coverage. I understand my check will be converted to an electronic debit for my first payment, instead of deposited as a paper check. HomeServe will only notify me if the applicable tax rate changes, causing the preauthorized amount to differ by more than 10%. I understand this optional coverage is based on an annual contract and will be automatically renewed annually on the same payment terms I selected at the then-current renewal price, plus any applicable taxes, unless I cancel. I can cancel this contract any time at no additional cost, without obligation to make future plan payments, by calling 1-833-805-6754 or visiting www.homeserve.com. Your Data: See our homepage at www.homeserve.com. I agree I have read the coverage details in this package and confirm I am the homeowner, meet all other eligibility requirements, and understand the coverage limitations and exclusions.

Important Questions & Answers

What am I responsible for?

As a homeowner, you are responsible for the exterior water service line on your property.

Does my homeowners insurance cover this?

Most basic homeowners insurance policies do not cover repair or replacement due to normal wear and tear of the exterior water service line.

Who is eligible for coverage?

To be eligible, you must own both the residential single structure and the land it is located on. You are not eligible if your home is a recreational vehicle or otherwise intended to be moved; your property is used for commercial purposes; you know of any current problems with your exterior water service line before enrollment; or your entire exterior water service line is shared with a 3rd party or covered by a homeowners' association or the like. In IA, properties with more than 4 dwelling units are not eligible.

What should I know about this coverage?

What's covered: Coverage provides, up to the applicable benefit limit, to repair or replace an exterior water service line that has experienced an operational failure, for which you have sole responsibility, from your utility's responsibility or external wall of your well casing to the water meter or main shut-off valve inside your home that is damaged due to normal wear and tear, not accident or negligence. Repair or replacement of non-functioning stop boxes, shut-off valves, pressure reducing valves and backflow prevention devices is also covered.

Not covered: Frozen lines, branch lines, any tanks or appliances and damage from accidents, negligence or otherwise caused by you, others, wildlife or unusual circumstances. Costs on covered repairs may exceed the benefit limit, in which case you pay the difference between the cost and the benefit limit. Additional exclusions apply. See

full Terms and Conditions with complete coverage and exclusion details prior to enrolling by calling 1-833-805-6754 or going to www.PlansMUDomaha.com. Disputes resolved by arbitration, without class action or jury trial, unless otherwise stated in your full Terms and Conditions.

When can I make a service call?

Your plan starts the day your enrollment is processed. There is an initial 30-day waiting period before you can make a service call, providing 11 months of coverage during the first year. Upon renewal/reactivation (if applicable), there is no waiting period.

What is the cancellation policy?

Cancel any time by calling HomeServe at 1-833-805-6754 or visiting www.homeserve.com. If you cancel within 30 days of your start date, you will get a full refund (less claims paid, where applicable). Cancellations after the first 30 days will result in a pro-rata refund (less claims paid, where applicable).

What is the term of my service agreement?

The plan is annual. Unless you cancel, your plan automatically renews annually at the then-current renewal price with your same payment terms.

What is E-Z Pay?

E-Z Pay is a paperless and stress-free way to pay for your coverage. Payments are automatically debited from the bank/checking account of your choice as your payment becomes due, at no additional cost.

Who is HomeServe?

HomeServe is an independent company, separate from Metropolitan Utilities District. If you would prefer not to receive solicitations from HomeServe, please call 1-833-805-6754.
