

Sharing Your Netro Device

Complete the following steps after creating your Netro account and installing the device.

Visit the [Netro](#) website and **Log In** in the top navigation bar.

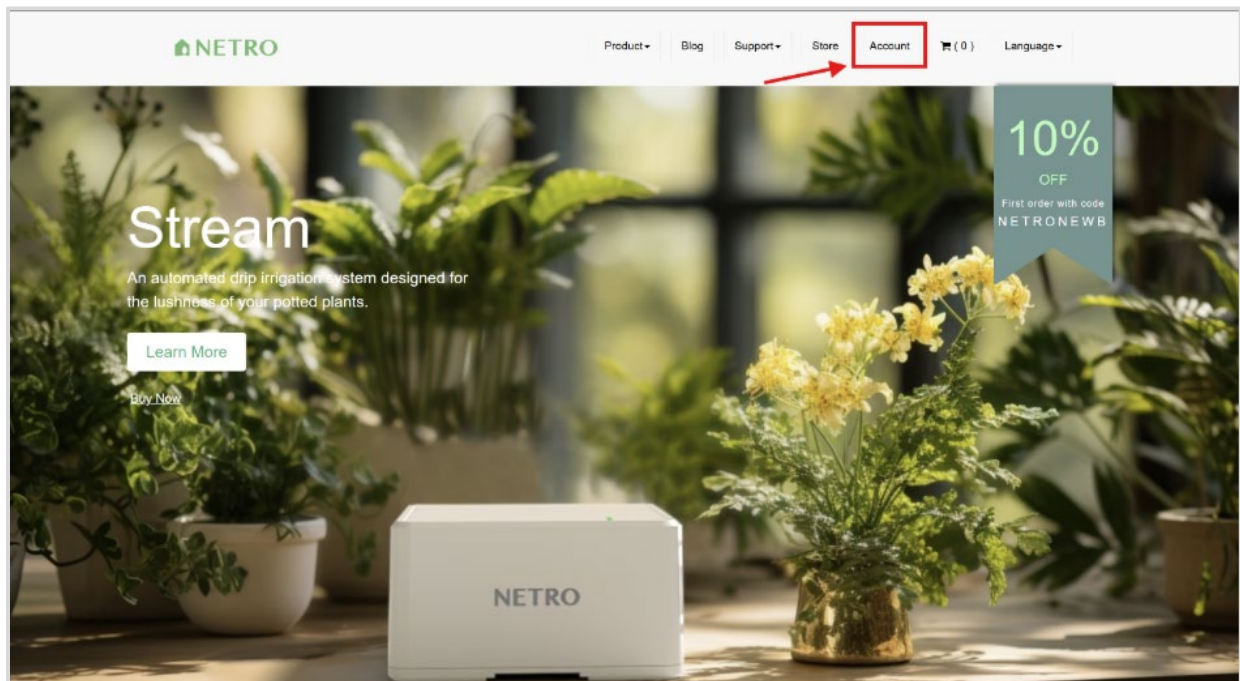

Sign in with your username and password if prompted.

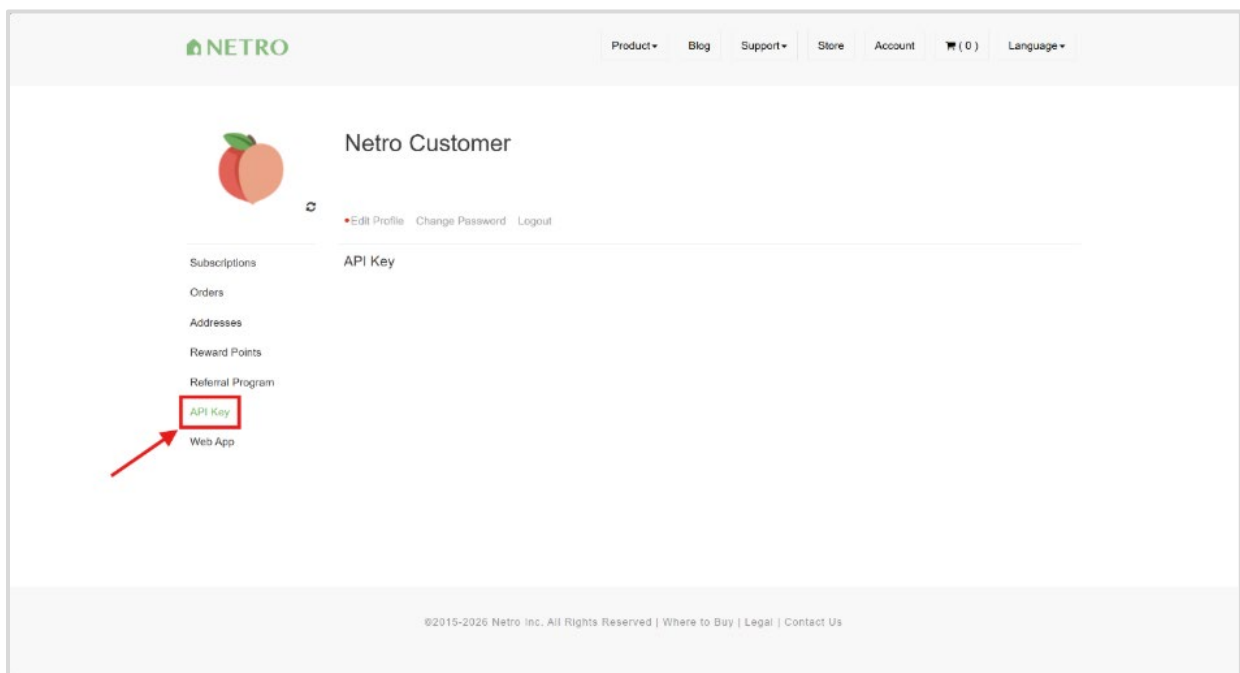

*If **Log In** does not appear, click on **Account** in its place. This only happens if you have previously logged into Netro and your computer has cookies enabled.*

The image shows a login form for the Netro website. The form is centered on a light gray background. It features the Netro logo at the top. Below the logo, there are two input fields: 'User Name / Email' and 'Password'. The 'Password' field has a small icon on the right side. Below the input fields, there is a green 'Login' button and a white button with a circular arrow icon. At the bottom of the form, there is a link that says 'Forgot Password?'. The entire form is enclosed in a white box with a thin gray border.

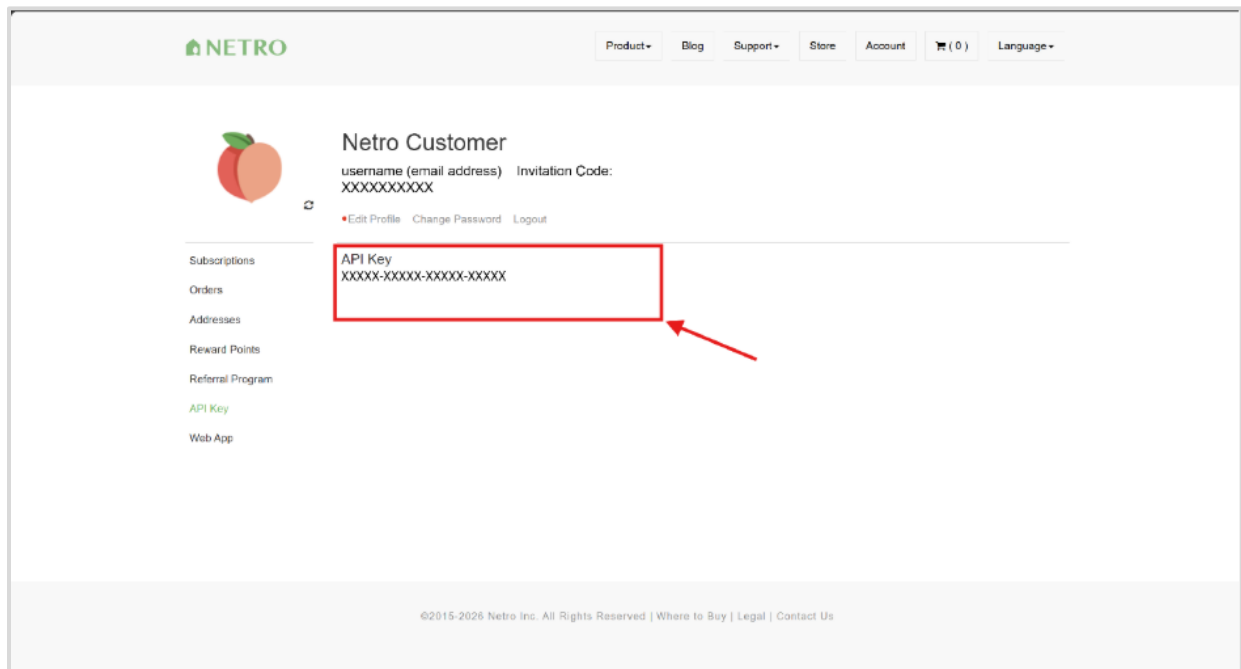

Click [Account](#).

On the Account page, click [API Key](#).

Copy your API Key and submit it securely through the Aqualytics form.

Open your email and look for a message titled “**Welcome to the M.U.D. Smart Watering Program.**”

In that email, click the link labeled “**Share API Key.**”

Paste the API Key you copied in Step 4 into the text box provided, then click **Submit**.
